## **A word to Skaters and their parents:**

I skated for 19 years prior to beginning my coaching career. I passed my 6th Figure test, Intermediate Free Skate test, Novice Moves in the Field, Pre-Silver Dances and one Silver Dance. I competed on the Garfield Goldenettes Senior Synchro team and placed 2nd at Nationals in 1989 and 1991 and won Nationals in 1990. I've held Professional Skaters Association (PSA) membership for 24 years and have been continuing my education with the PSA. I have coached skaters through their Gold Moves in the Field and Free Skate tests as well as competitors at the U.S. Figure Skating qualifying competitions.
